

# Ryan Reiser

(215)-806-2169 | [rreiser@mines.edu](mailto:rreiser@mines.edu) | [linkedin.com/in/ryan-reiser](https://linkedin.com/in/ryan-reiser) | [rreiser.net](http://rreiser.net)

## Education

---

### Colorado School of Mines

- BS in Business Engineering and Management Sciences Spring 2026
  - Specialization in Business Analytics & AI / Machine Learning
  - Achieved Dean's List and Honor Roll for past 3 semesters with a 3.3 GPA
- MS in Data Science Spring 2027

### **Technical Projects (Click to view on my website)**

---

#### CoBank Capstone Project

- Actively working with CoBank's Vice President of Quantitative Risk to analyze and compare financial metrics between financial institutions using Python, uncovering insights into allowance for loan losses and net charge-offs to enhance firm risk management strategy

#### Construction Work Breakdown Structures

- Developed waterfall-based work breakdown structures using Microsoft Project to plan and schedule the construction of a hypothetical sports arena for a Project Management course

#### Videogame Industry Exploratory Data Analysis

- Performed data preprocessing, model regressing, and visualizing of key factors affecting leading global videogame developers using Python to help explain complexities in the industry

#### Portfolio Website Design

- Designed and coded a personal portfolio website, [rreiser.net](http://rreiser.net), from scratch using only knowledge and documentation of HTML, CSS, and JavaScript to display project outcomes

## Professional Skills

---

**Programming:** Python, C++, RStudio, Stata, SQL, JavaScript, HTML, CSS, Pandas, Git

**Business:** Excel, MS Project, Microsoft Suite, Jira, Power BI, Tableau, SharePoint

**Communication:** Project Management, Technical Writing, Presenting, Leadership

## Employment Experience

---

Staples | Tech Services Associate
